DCI

memo
Chubb

24 November 1981

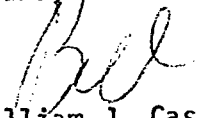

Dear Bill,

I apologize for the long delay in continuing with our conversation when I called you during the summer. I hesitated to because I wasn't quite sure what I had in mind would be suitable for you. I am still not, but we ought to have a talk about it, if you would like to call and make a date to see me either here at the office or at the EOB.

mtg
set for
12/15/81

Best regards.

Yours,

William J. Casey
